

TIER 2 • PROFESSIONAL

A complete digital presence, managed for you

Website + domain + server + 2 months free support, with optional add-ons that make your school run smoother

Rs 80,000 — full package

Little Blossoms Web Studio

What's included in Rs 80,000

Everything in Tier 1, plus the things that make a website actually work for the school

- ✓ **Website** Full design + development, mobile responsive
- ✓ **Issues resolved** Any functional problems fixed before handover — working from day one
- ✓ **2 months free** Free adjustments and support for the first 2 months
- ✓ **Domain** Your domain (e.g. littleblossoms.in) — set up for you
- ✓ **Server** Hosting arranged and configured — handled for you
- ✓ **Extras from Tier 1** WhatsApp booking, map, quiz, gallery, testimonies

A working, worry-free site: fixed, hosted, domain-ready and free to adjust for 2 months.

Designs & everything needed to start

We don't just build the site — we give you the designs it needs and everything required to go live

Additional designs

Logos, banners, icons, poster/brochure graphics, social-media creatives — designed for you in your brand style

Photos & content

Use your photos or we guide you — we advise and prepare what the site needs

Domain & server

We set up and configure your domain and server — handled for you

Start checklist

Name, logo, photos, basic text, contact details, preferred domain — we walk you through it

Main promise: you hand us your school, we deliver a ready-to-use website with its complete visual kit.

Optional add-ons

Make your website grow with your school — add what you need, when you need it

Google Ads

Managed monthly campaign

Ad management (setup + running)

WhatsApp automation

Auto-replies, follow-ups, broadcasts to parents

Systematised communication

Admission portal

Online application + enquiry tracking

Digital admissions

School database

Student records, staff, attendance base

Data organised

Add-on pricing is simple and low: every add-on is Rs 1,000 or below per month.

Monthly service plan

Keep the site fresh while you run the school — we handle the updates

Content swaps

Change photos, fees, programs, notices and offers

Seasonal updates

Admission-open banners, events, celebrations

Text & page edits

Reword sections, add news, update timings

Small fixes

Anything broken or outdated gets corrected

Rs 1,000 or below per month

Unlimited update requests within the plan — content refreshes handled every month.

Self-managed option

For schools that want to upload and maintain their own content — full control, no dependency.
Available on both Tier 1 and Tier 2.

2 websites

One public site + one private user/admin site

1 backend

An admin store where you manage everything

1 database

Your school data stored safely in one place

2GB storage

Space for photos, documents and uploads

Rs 1,80,000 – Rs 2,00,000

Tier 1 vs Tier 2 at a glance

Tier 1 • Starter — Rs 50,000 + domain

Tier 2 • Professional — Rs 80,000

Website + WhatsApp + map

Issues resolved before handover

2 months free support

Domain & server handled

Add-ons (Ads, automation, portal, DB)

Monthly content service Rs 1,000

Need autonomy? Choose the Self-managed option (Rs 1.8–2.0L) with 2 sites + backend + database.

Grow with confidence

Professional Tier — Rs 80,000 | Self-managed — Rs 1.8–2.0L

Let's plan the right package for your school.
