

LITTLE BLOSSOMS • WEBSITE • 2026

Play today. Blossom tomorrow.

A warm, colourful playschool website for little ones from 8 months to 6 years

Designed with real photos, WhatsApp-first booking, an age quiz, and a garden of playful details

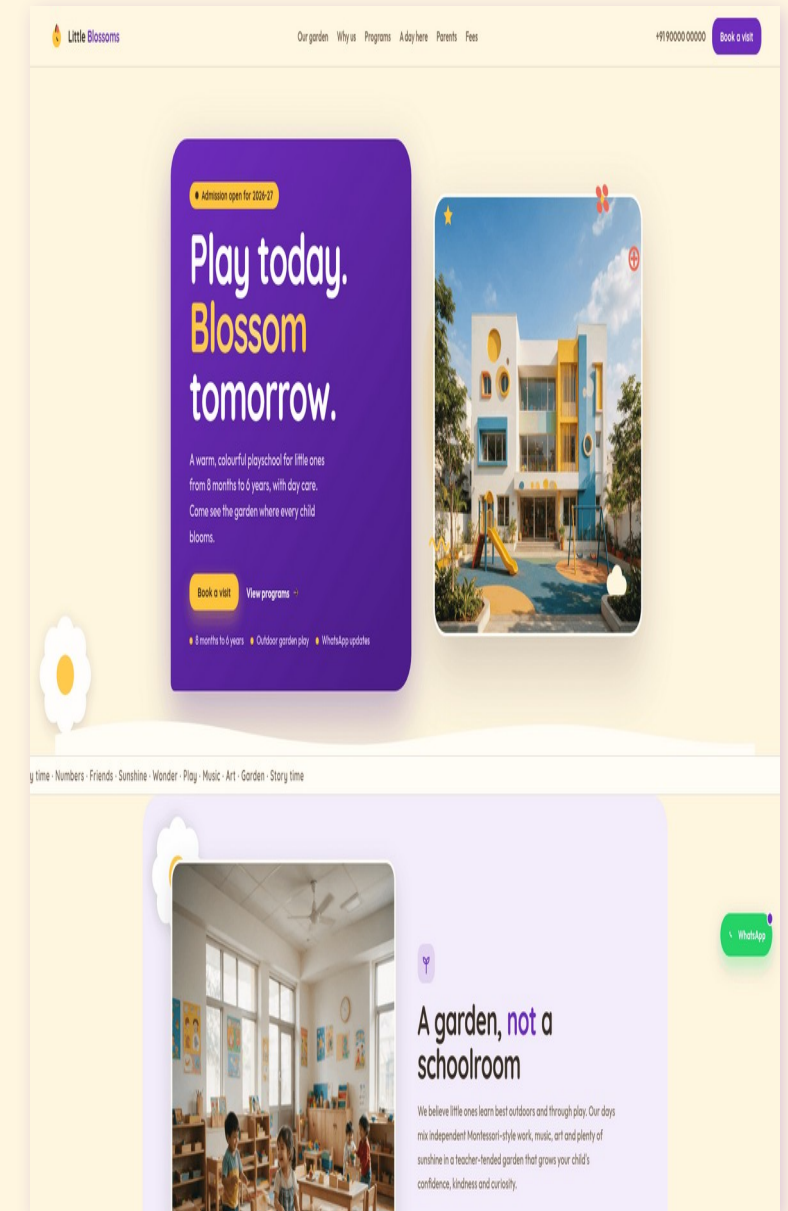

Little Blossoms Play School

Our website today

A single-page site that feels like the school: warm, playful and easy for parents

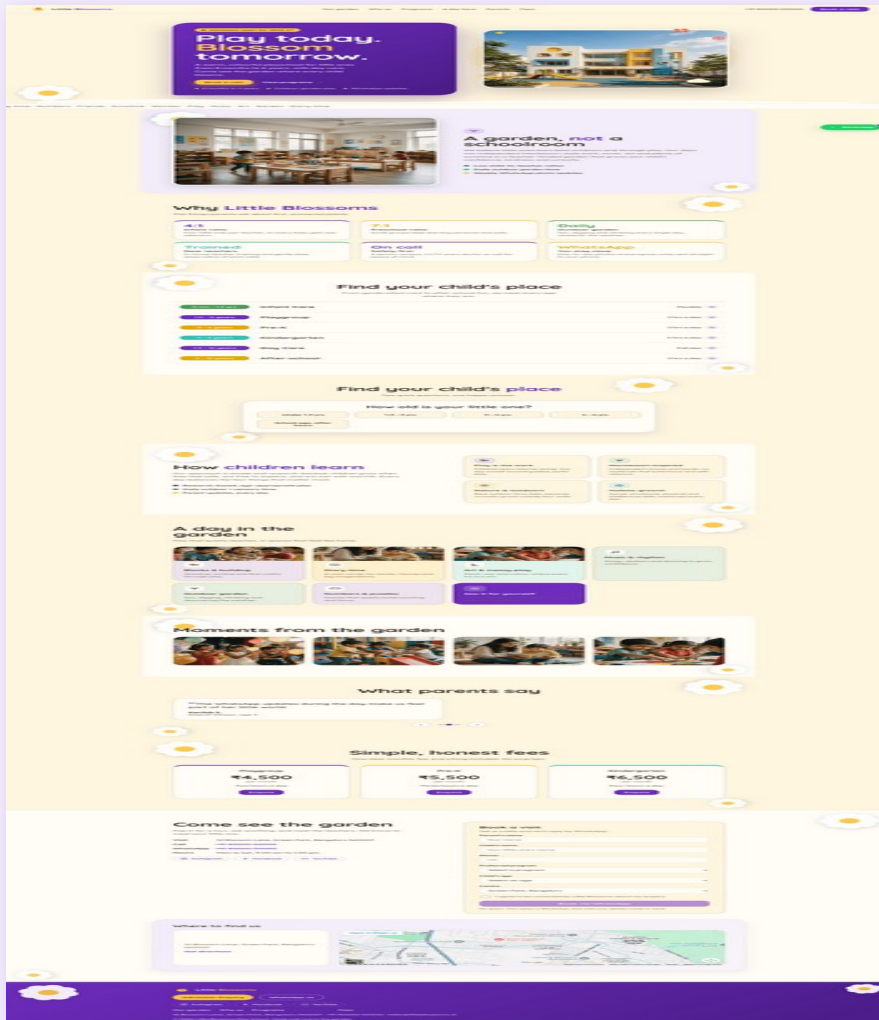

What makes it special

- ✓ **WhatsApp-first booking**
All enquiries land in one WhatsApp chat with details pre-filled
- ✓ **Age quiz → auto-fill**
Parents answer 2 questions; the form pre-fills program + age
- ✓ **Real photos**
Your playschool photos across hero, About, day cards and gallery
- ✓ **Interactive scroll**
Scroll progress, spinning corner flowers, gentle reveals
- ✓ **Address + Google Map**
Find-us bubble with directions link below the form
- ✓ **Fully responsive**
Tested on a 360px mobile viewport — clean on every screen

Reference 1 — roughout.in (agency demo)

A playful, modular, rounded landing page in the same spirit as ours

What to borrow

Big friendly headline inside a bold rounded card

Custom icons to explain trust points simply

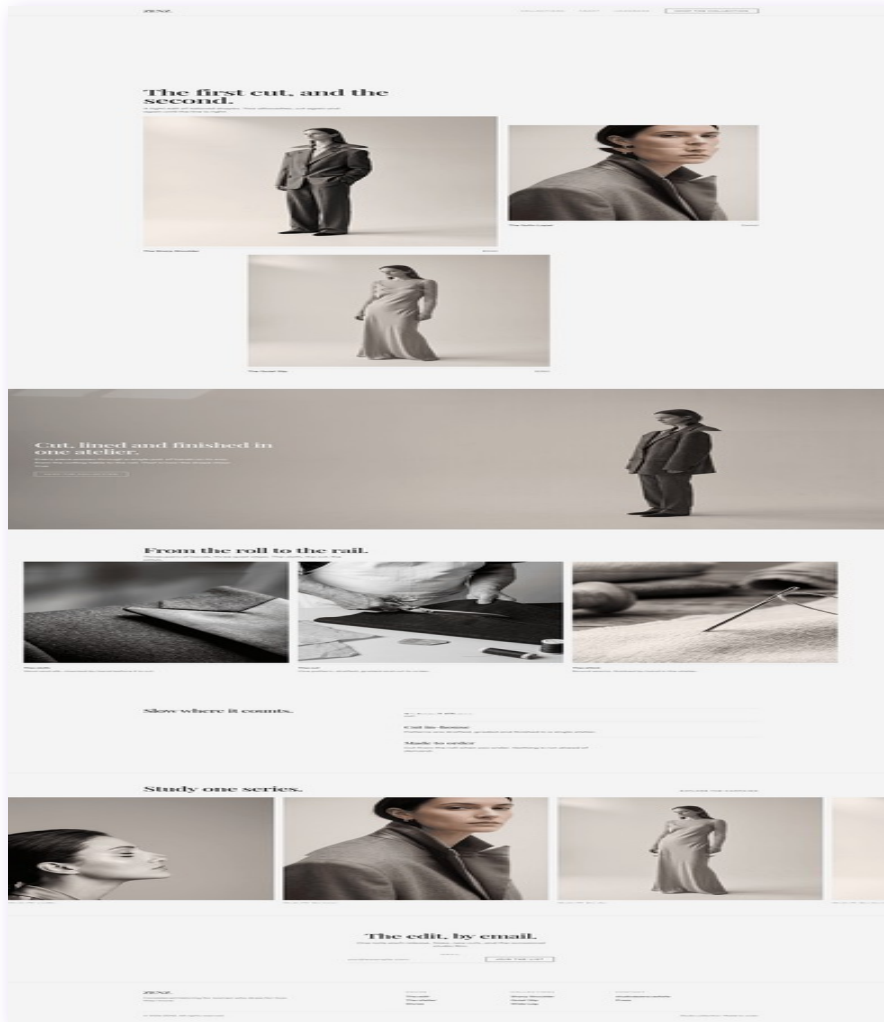

Interactive age-selector personalises the journey

Warm cream + lavender + sunny yellow palette

Floating flower / organic shapes for charm

Reference 2 — ZENZ (fashion / editorial)

A minimalist, editorial look built on white space and strong photography

What to borrow

Generous white space — let content breathe

High-quality real photos carry the page

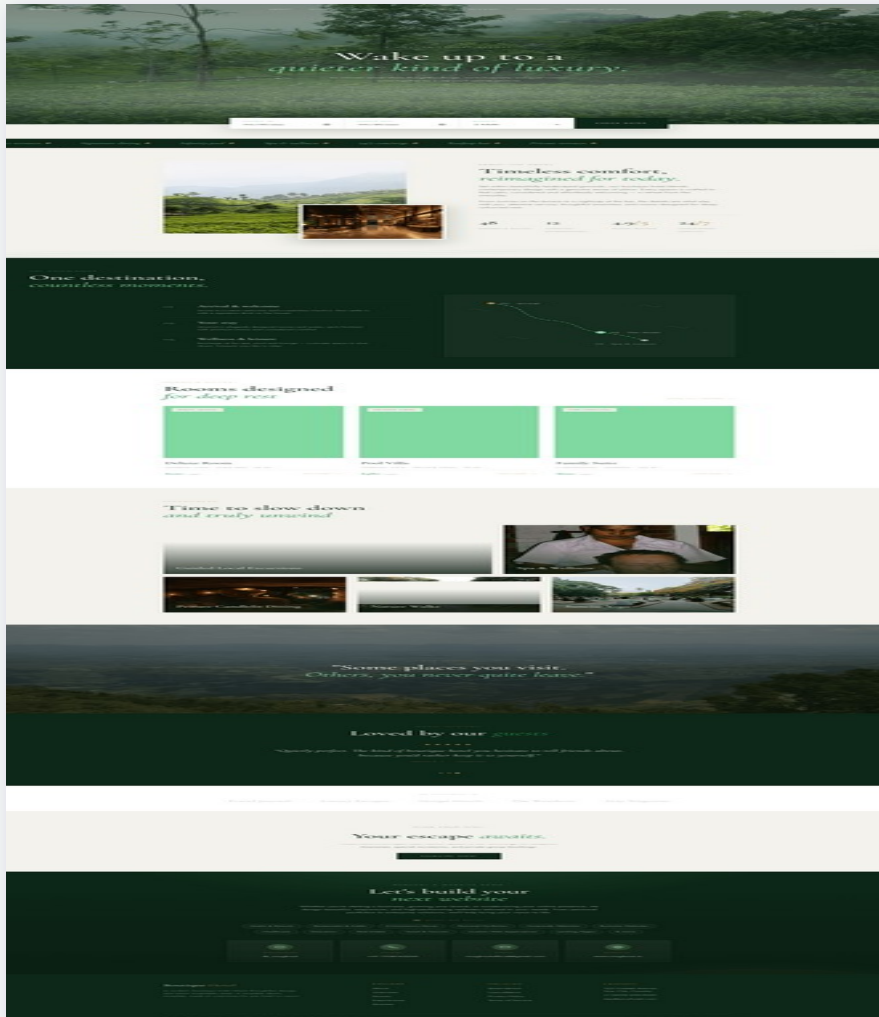

Asymmetric, editorial image placement

One confident accent against a neutral base

Craft markers that build trust step-by-step

Reference 3 — Boutique Hotel (hospitality)

Full-bleed atmosphere + a conversion bar that is always in reach

What to borrow

Immersive full-bleed hero sets the mood

A sticky booking bar keeps the key action visible

Elegant serif + calm nature palette

Alternate big images with clean info blocks

A stylised map / journey graphic to guide visitors

The parent's journey

1 Discover

Scroll a playful hero, see real kids and the outdoor playground

2 Match

Answer 2 quick questions — the quiz recommends the right program

3 Book

Tap Book a visit — program and age are already filled in

4 Connect

Add name, phone, centre and consent — one tap opens WhatsApp

5 Visit

Find the address and map, then get directions — done

Design system

Brand palette

Grape — primary

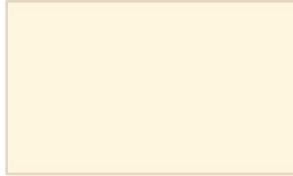

Sun — accent

Aqua — pop

Leaf — pop

Cream — ground

Ink — text

Typography

Quicksand

Friendly rounded display for headlines

Outfit

Clean legible body for parent-facing text

Motifs

White daisy with a sunny centre — in the corners, spinning gently on scroll

Rounded cards, pill buttons and soft cloud-like shapes

Flower-divider language replaced by clean rounded sections

Photos framed with a cream border, like polaroids

Why this design works

1 **Trust first**

Real photos + honest fees + concrete ratios (4:1, 7:1) answer parent worries

2 **Zero-friction enquiries**

WhatsApp is the inbox: pre-filled details, one tap to send

3 **Parents finish fast**

The quiz pre-fills the form, so booking takes seconds, not retyping

4 **Looks alive**

Scroll progress, spinning flowers and reveals keep the scroll delightful

5 **Mobile-perfect**

Verified on a 360px viewport — no overlaps, no horizontal scroll
